ENRICHING KIDS EVERY DAY

Y CLUB: A Before and After School Enrichment Program SOUTH COUNTY FAMILY YMCA NOW ENROLLING!

WHAT IS Y CLUB?

YMCA Before and After-School programming is designed to help kids in our community succeed developmentally and academically. We focus on a well-rounded curriculum with 9 components that are 21st Century Skills, Arts & STEAM Activities, Global Exploration, Health & Wellness (BOKS - Building Our Kids' Success), Leadership Development, Service Learning, Family & Parent Engagement, Guest Speakers and SEL - Social Emotional Learning.

The program features trained staff who will help with homework and demonstrate positive mentoring/role modeling along with physical activities, crafts and snack time.

CARE TIMES

(Depend on start and end times of school)

Before School Care - 6:30am-start of school

After School Care - end of school-6pm

Schools Out Camp is offered at the Y on some scheduled, non-weather-related school closings.

SITES

We are currently offering Y Club at **Beasley, Bierbaum, Blades, Forder, Hagemann, Oakville, Point, Rogers, Trautwein, Wohlwend, MOSAIC, and St. Catherine of Labour.** If you're interested in receiving care at another school, let us know! If there is enough interest, we may be able to serve another school.

Research shows that children who participate in after-school programs are **healthier**, more **successful in academics**, and more likely to **maintain positive behaviors**.

IT'S THE PLACE TO BE BEFORE & AFTER SCHOOL!

The **South County Family YMCA** is committed to serving families and developing the whole child through spirit, mind, and body. Our Y Club program acts as an extension of each family by providing support to both children and families during program hours. Y Club provides quality programs for children in healthy, caring and safe environments.

STAFF

We are concerned about each child and strive to provide safe and fun experiences for all. We encourage children to participate, develop ideas, and most of all, have fun!

Our staff are certified in CPR/First Aid, child abuse prevention and reporting, and emergency action plans. All staff have criminal background checks, child abuse clearances, and fingerprinting clearances.

Our trained staff are experienced in working with children and look forward to playing a key role in your child's educational program.

OUR MISSION STATEMENT
